

Shifting / Migration of Students from One College to Another

1. The students of Ali Fatimah College of Science and Management, Near Jhall Khanuana, Main East Canal Road, Faisalabad are allowed to be shifted/migrated as per their convenience to any College affiliated with GCUF at Faisalabad offering the same programme(s) and the same semesters.
2. The students are free to contact any college offering same programme in the same semester Affiliated with Government College University, Faisalabad at Faisalabad. They will also submit affidavit for seeking admission in a college with their free will duly signed by themselves and their parents (Father or Mother) as no college is allowed to transfer/shift students at their own. List of affiliated colleges is available on the website; the students can contact Affiliation Cell in case of any problem.
3. The College concerned (preferred by the student for further admission) through the respective Principal will forward the data of admitted students and will be responsible for all financial liabilities. A College can offer admission in programme(s) as per their affiliation letter. The college will enroll students as per availability of seats in a program in a semester.
4. The students of Ali Fatimah College of Sciences and Management, Near Jhall Khanuana, Main East Canal Road, Faisalabad may also apply at GC University Faisalabad Main Campus in evening programs in the same semester subject to availability of seats and University policy, they will submit their applications to the office of Chairman, Admission Committee.
5. Moreover, the students need to submit applications up to November 09, 2021 positively to Affiliated Colleges at Faisalabad or GC University Faisalabad main campus as the case may be.
